RESPONSIBILITY

The responsibility of Transcendent Travel Services, LLC is strictly limited. Transcendent and its partners, co-venturers, or promoters of the tour are not liable for (i) delays, losses, changes in routing, hotels, transportation services, and/or sightseeing or accidents incurred by said persons or operators to passengers and baggage from whatsoever cause and/or (ii) delays, losses or damages incurred or suffered including but not limited to monetary losses and physical and mental injuries as a result of any tour participant contracting any illness or injury while on the tour and/or any interruption or cancellation of the tour including without limitation losses arising from arrangements for early arrivals, late stays and/or personally arranged tours.

Transcendent also reserves the right to change the routing, hotels, and/or sightseeing and any service offered, should local conditions in our opinion warrant; the extra cost, if any, must be paid by the passengers. The right is reserved to refuse any person on this tour.

The transportation companies concerned are not responsible for any act or omission or event during the time passengers are not on board their conveyances.

This passage contract in use by the carriers concerned when issued shall constitute the sole contract between the carrier(s) and the purchasers of the tour and/or passengers. All additional expenses caused by war, natural disasters, landslides, strikes, weather delays, illness or accidents are the responsibility of the passengers.

INSURANCE

For an additional \$250 USD fee per traveler, Transcendent Travel can arrange travel medical insurance for the duration of the tour. Travel medical insurance is highly recommended.

For most travelers under age 80, the coverage currently includes principal benefits such as medical coverage up to \$100,000 USD, Accidental Death and Dismemberment (AD&D), emergency medical evacuation/repatriation, emergency medical reunion, and return of mortal remains, subject to the terms, conditions, limitations, and exclusions of the applicable policy/certificate.

Please Note: For most travelers, this is travel medical coverage only and does not include any trip cancellation or trip interruption coverage.

Coverage varies in certain circumstances. Travelers age 80 and over are arranged on a different policy and should contact Transcendent Travel directly to review the coverage that would apply. Residents of New York and Washington are offered state-specific coverage due to state insurance rules; when arranged through Transcendent, that coverage includes medical and emergency-related benefits as set forth in the applicable policy/certificate, but does not include trip cancellation coverage. Any trip interruption benefit, if applicable, is limited and governed by the applicable policy/certificate.

Pre-existing medical conditions are generally excluded, except as specifically provided in the applicable policy/certificate. Travelers with significant medical conditions should review the policy/certificate carefully and may wish to consult their own insurance broker regarding supplemental coverage.

Should you choose not to purchase the insurance, any fees or costs that otherwise would have been covered by insurance are the responsibility of the individual traveler. Transcendent Travel is not liable for any charges not covered by an insurance policy you purchase. If there is any difference between this summary and the applicable policy/certificate, the policy/certificate controls. Additional insurance details will be provided with the tour participant agreement, and policy documents are available upon request.
