IMPORTANT NOTES

Space is extremely limited on this tour, and because of the exclusivity of the included events, we are unable to add participants once the maximum has been reached. Should you wish to add additional hotel nights prior to or at the conclusion of the tour, please advise Transcendent Travel of this when making your tour reservation.

All pricing is based on double occupancy. Upon request, we will make every effort to match a single customer with another party interested in sharing a room.

Due to the exclusive nature of the hotels involved, including hotels with a limited number of rooms, we are only able to offer a limited number of single occupancy rates. Those are available on a first-come, first-served basis at $5,995 USD per person.

Please Note: Single rooms in the United Kingdom are often much smaller than double rooms. Paying a single supplement does not guarantee you a full-size double room. We will do our best to accommodate mobility requests and needs. Because of the age of many of the buildings on the itinerary, there will not be an elevator at every stop nor in every hotel.

Each day will involve a good deal of walking, and ability to maneuver steps. Please make us aware of any special needs when booking.

At the time of booking please inform us of any special dietary requests (vegetarian, allergies, etc.).

As a tour participant, you agree that your image may be used by KERA or Transcendent Travel in any way deemed appropriate, including, but not limited to, publication in newspapers, magazines, and other print media, use in broadcast media, television or video projects, publication via the Internet, and use in marketing materials used by KERA or Transcendent.

Tour pricing is based on an exchange rate of $1.30 to the UK pound. Should the exchange rate rise above $1.60 to the pound within 120 days prior to the start of the tour, Transcendent reserves the right to bill each tour participant an additional $500 USD in order to cover the additional expense.

PAYMENTS

Transcendent Travel is pleased to offer several payment options. The options will be governed in part by the date you book your tour and the date the tour commences. Please refer to our website: **transcendent-travel.com** or call us at 1.866.654.7508. No order/reservation will be processed without the first payment. Should any payment be in arrears more than one payment period and no payment arrangement entered into, Transcendent reserves the right to cancel a passenger's participation in the tour and to retain all payments to-date.

RIGHT-TO-RESCHEDULE

Should world conditions affect the staging of the tour (e.g., natural disasters, including, but not limited to, pandemics; war; terrorism), Transcendent Travel reserves the right to schedule the tour to a later date. In the event a tour participant is not willing to reschedule, and it is within 90 days of the tour start date, all deposits and/or tour payments will be returned to such tour participant who has signed up, less any non-refundable expenses actually incurred by Transcendent Travel.

HEALTH AND SAFETY

The health and safety of our customers is always our top priority. Each tour will follow applicable public health guidelines based on local requirements at the time of travel. As local ordinances may be updated regularly, we will share any changes to our policies closer to the tour start date. We reserve the right to update these on an ongoing basis per the available data and recommendations of local authorities.

If borders are closed or we have any doubts about the health and safety of a destination and cannot operate a tour, we will give you first notice on a later set of dates. Any refunds will be determined in accordance with our Refunds and Right-To-Reschedule Policies noted above.

TOUR GUIDE

Should the original tour director be unable to lead the tour on behalf of Transcendent Travel, Transcendent reserves the right to engage another competent tour director to lead and execute the tour.

SUBSTITUTIONS

Transcendent recognizes that circumstances occur where it may be necessary to cancel participation in the tour. Substitutions are encouraged so that cancellation fees can be avoided.

For substitutions made within 30 days of a tour date, an additional substitution fee of $500 USD will apply.

ITINERARY VARIATION

Transcendent Travel reserves the right, in its sole discretion, to vary itineraries and/or destinations and to substitute hotels if circumstances warrant. Venues, attractions, and destinations may be adjusted or modified at the sole discretion of the tour planners and Transcendent. Should a participant miss meeting the start of the tour or any event during the tour duration all financial responsibility to catch up with the tour will fall on the participant.

NOT INCLUDED IN TOUR PRICE

Those items listed in the exclusions, as well as laundry, valet service, food not included, after-hours tea, coffee, alcoholic beverages or other expenses of a personal nature or any other items not specified on the itinerary are not included in the tour price.

RESPONSIBILITY

The responsibility of Transcendent Travel Services, LLC is strictly limited. Transcendent and its partners, co-venturers, or promoters of the tour are not liable for (i) delays, losses, changes in routing, hotels, transportation services, and/or sightseeing or accidents incurred by said persons or operators to passengers and baggage from whatsoever cause and/or (ii) delays, losses or damages incurred or suffered including but not limited to monetary losses and physical and mental injuries as a result of any tour participant contracting any illness or injury while on the tour and/or any interruption or cancellation of the tour including without limitation losses arising from arrangements for early arrivals, late stays and/or personally arranged tours.

Transcendent also reserves the right to change the routing, hotels, and/or sightseeing and any service offered, should local conditions in our opinion warrant; the extra cost, if any, must be paid by the passengers. The right is reserved to refuse any person on this tour.

The transportation companies concerned are not responsible for any act or omission or event during the time passengers are not on board their conveyances. This passage contract in use by the carriers concerned when issued shall constitute the sole contract between the carrier(s) and the purchasers of the tour and/or passengers. All additional expenses caused by war, natural disasters, landslides, strikes, weather delays, illness or accidents are the responsibility of the passengers.

INSURANCE

For an additional $250 USD fee per traveler, Transcendent Travel can arrange travel medical insurance for the duration of the tour. Travel medical insurance is highly recommended.

For most travelers under age 80, the coverage currently includes principal benefits such as medical coverage up to $100,000 USD, Accidental Death and Dismemberment (AD&D), emergency medical evacuation/repatriation, emergency medical reunion, and return of mortal remains, subject to the terms, conditions, limitations, and exclusions of the applicable policy/certificate.

Please Note: For most travelers, this is travel medical coverage only and does not include any trip cancellation or trip interruption coverage.

Coverage varies in certain circumstances. Travelers age 80 and over are arranged on a different policy and should contact Transcendent Travel directly to review the coverage that would apply. Residents of New York and Washington are offered state-specific coverage due to state insurance rules; when arranged through Transcendent, that coverage includes medical and emergency-related benefits as set forth in the applicable policy/certificate, but does not include trip cancellation coverage. Any trip interruption benefit, if applicable, is limited and governed by the applicable policy/certificate.

Pre-existing medical conditions are generally excluded, except as specifically provided in the applicable policy/certificate. Travelers with significant medical conditions should review the policy/certificate carefully and may wish to consult their own insurance broker regarding supplemental coverage.

Should you choose not to purchase the insurance, any fees or costs that otherwise would have been covered by insurance are the responsibility of the individual traveler. Transcendent Travel is not liable for any charges not covered by an insurance policy you purchase. If there is any difference between this summary and the applicable policy/certificate, the policy/certificate controls. Additional insurance details will be provided with the tour participant agreement, and policy documents are available upon request.
